

## 2009 Horseheads Youth Lacrosse Club *Lottery Based Fundraiser*

Raffle tickets are sold for \$5 each. There will be a \$25 daily winner, using the evening numbers drawn from the NY Lottery NUMBERS game to determine the winner. If your ticket has the same three numbers in the same order as the EVENING DRAW ON THE NUMBERS, you will win \$25!! There will also be **two** \$5 daily winners for the number immediately before and immediately after the winning number. Every Wednesday, the winning number will receive \$50 AND on the 2<sup>nd</sup> and 4<sup>th</sup> Saturday in May there will be a \$100 winner.

Please remember that the same numbers can be called multiple times each month, so these tickets are valuable for the entire month of May. You can check the numbers online at [www.nylottery.org](http://www.nylottery.org)

### Some points to keep in mind:

- ★ You have purchased the 15 tickets that you are required to sell. Each ticket will be assigned to your name and address until you return the stub to your team parent with the name and address of the person who purchased it CLEARLY printed on it. If you chose not to sell the tickets, you will be the sole winner of any money associated with the numbers on them.
- ★ All ticket stubs must be returned by **April 30<sup>th</sup>** to your team parent in order for the information to be entered into the database in time for the first draw on May 1<sup>st</sup>.
- ★ Last season there were quite a few people who purchased tickets and then donated them back to the club. What this means is that a person pays \$5 for a ticket and then allows the club to keep any proceeds that may come from those numbers. If you have an individual that would like to do this, please write "Donate" in the name and address area and return the stub to your team parent.
- ★ There will be extra tickets available if you are able to sell more. These tickets are an easy sell because they are *inexpensive* and offer *numerous chances* for the individual to win their money back; besides it is doing something great for kids that doesn't involve the purchase of unwanted merchandise....we all know how that goes!
- ★ Last year we had people purchase our raffle tickets to put in Mother's Day and birthday cards. There were a lot of players and their families that won, and buying tickets in a block really pays off because if one number wins, the number above and below it win too!
- ★ We are raising money toward the purchase of AED's and to continue to build a supply of equipment to loan in the future. Last year we were able to purchase 20 equipment packages for loan, and we have the money put aside to buy an enclosed shed. We were also able to send our coaches to the Level 1 US Lacrosse coaches clinic in Syracuse and several also attended the US Lacrosse National Convention in January.
